

Can you reverse a transaction on kraken?

You can't reverse a cryptocurrency [A]+1-833-224-8496[A] transaction on Kraken once it's been confirmed on the blockchain because they are permanent and irreversible. However, you can [A]+1-833-224-8496[A] cancel unconfirmed crypto or fiat withdrawals while they are in the [A]+1-833-224-8496[A] "initiating" or "pending" status in Kraken Pro. For [A]+1-833-224-8496[A] completed crypto transactions, the only options are to contact the recipient [A]+1-833-224-8496[A] or, for incorrect deposits, submit a recovery request to Kraken support.

For unconfirmed transactions

Crypto withdrawals: Cancel an unconfirmed crypto withdrawal [A]+1-833-224-8496[A] by going to the "Portfolio" tab, selecting "Spot," scrolling to "Funding [A]+1-833-224-8496[A] Transactions," and clicking the "X" next to the transaction in the [A]+1-833-224-8496[A] Kraken Pro web version.

Fiat withdrawals: You may be able to cancel a pending fiat [A]+1-833-224-8496[A] withdrawal by contacting Kraken support immediately before the funds are [A]+1-833-224-8496[A] processed and leave the system.

Trades: You can cancel open orders before they are filled, but [A]+1-833-224-8496[A] completed trades are final.

For confirmed transactions

Crypto withdrawals: Completed crypto withdrawals cannot [A]+1-833-224-8496[A] be reversed. Double-check the wallet address and network before [A]+1-833-224-8496[A] confirming any transaction.

Deposits: If you sent funds to an incorrect address, you may be [A]+1-833-224-8496[A] able to recover them by contacting Kraken support with the transaction ID, [A]+1-833-224-8496[A] crypto, and amount.

Incorrect recipient: If you sent funds to the wrong recipient, [A]+1-833-224-8496[A] you can contact the recipient directly. For certain services like Krak, [A]+1-833-224-8496[A] you may be able to cancel a payment request before it's fulfilled.

What you should do

Always double-check details: Before confirming any [A]+1-833-224-8496[A] transaction, review the recipient's address, network, and amount to [A]+1-833-224-8496[A] avoid mistakes.

Contact support immediately: If you can't cancel an [A]+1-833-224-8496[A] unconfirmed transaction, contact support as soon as possible for help [A]+1-833-224-8496[A] with potential recovery options.

For incorrect deposits: Submit a recovery request to Kraken [A]+1-833-224-8496[A] support with all the necessary details.

For unauthorized Krak card transactions: File a dispute [A]+1-833-224-8496[A]directly within the Krak app.
